BIKRAM DASGUPTA

One of the promoters of Pertech Computers Limited, Bikram Dasgupta played the front end for the company until the time he left to set up his own business. Dasgupta was credited in large part for making PCL a force to contend with in the PC segment.
Dasgupta currently heads Globsyn which is headquartered in Calcutta

M.L. TANDON

As head of the Tandon Group of company, M.L. Tandon is responsible for putting India on the hardware export map. The Tandon Group—with its interests in software, peripherals and computers—has been topping the export rankings for the past few years, keeping competitors completely out of sight. Recessive market trends across the globe are the only factors that have put dampers on the performance of the Tandon Group companies.
