Mrs. Smt. Shakuntala Devi Tandon

Dear Mrs. Tandon

It was my great pleasure to receive your invitation card for your wonderful grand son, Mr. Sandeep Tandon's wedding reception.
Frankly speaking, I was so excited to the great event that I tried to visit New Delhi and Bombay, but unfortunately I found that a board meeting of our company was already scheduled on the same day.
Therefore I would like to have Mr. Kanaoka attend to the reception on behalf of our company.
Please accept my sincere apology this time.
Looking forward to seeing you soon, I would appreciate for your understanding.

Sincerely your,

S. Takemoto
